Moderna Bivalent Vaccine 6 + Years Old - Shelf-Life Extensions

Several lots of Moderna COVID-19 vaccines for individuals aged 6 years and older received shelf-life extensions to ensure adequate supply through the summer. Moderna has verified the new expiry dates below and updated the [Moderna Vial Expiration Checker](#).

Lot Number	Original Expiration Date	New Expiration Date
AS7172B	06/12/2023	09/12/2023
066H22A	06/13/2023	09/13/2023

COVID-19 Vaccine Allocation

The Department will continue to survey Local Public Health Agencies (LPHAs) monthly to determine each county's desired COVID-19 vaccine allocation. The June vaccine allocation survey will be sent June 5, 2023. The Vaccine Redistribution Policy and Process and Vaccine Redistribution Form will continue to be required for each vaccine redistribution. The COVID email will remain available to respond to questions. Questions can be emailed to: COVID19vaccine@idph.iowa.gov.
